8.1 Karin Matray shared all the goals and actions of the LCAP were similar this year to the 2016-17 LCAP. Karin Matray stated that Lincoln Street School is so small that there are no State Dashboards for the school. The staff is prepared to use i-Ready for the 2017-18 school year. Lincoln Street School teachers were able to track progress for students this year who had been at lincoln street school for three or more years.  
8.2 Michelle Barnard spoke about how to best accommodate families who choose to not immunize their children. The Lincoln Street School staff feels it is important to try and accommodate these families because Lincoln Street is a school that caters to personal family beliefs and an alternative educational environment. Students who have not had their immunizations would be restricted from the supplementary activities at Lincoln Street. Karin Matray questioned if supplementary activities were on the Master Agreement. Dana Brent shared supplementary activities are not on the Master Agreement. Tim Morehouse shared concerns about the protection of all students, staff, and families. If Lincoln Street chooses to open the school to non-immunized children legal counsel will be important to avoid any issues that could arise from this decision.
